Frequently Asked Questions

What will my child need to bring to camp?

Your child will need to bring a snack and a fully prepared sack lunch to camp every day. We **do not** provide heating or refrigeration. If refrigeration is necessary, please provide ice packs or proper cooling items. Although we provide water and have a water fountain, we ask that you send water bottle(s) with your child. Also, please be sure to send your child to camp in comfortable gymnastics oriented attire. If you have a younger camper, we also suggest that you send a change of clothes with your child in case of an "accident."

Who can attend camp?

EVERYONE! As long as your child is between the ages of 3 and 12 yrs old, they are welcome to attend. (Must be completely potty trained). Invite your family and friends – camp is open to the public!

What are the check-in/pick-up procedures?

Please sign your child in and out each day. If you plan to have someone other than yourself pick up your child, you must notify the office, and make sure the individual's name is listed in your child's camp packet. Your child will not be allowed to leave with anyone for whom the business office does not have prior authorization. Staff may request identification prior to the release of your child.

What if I am late picking up my child?

Failure to pick up your child on time will result in additional fees. It is crucial that your child is picked up on time.

What if my child has medication that needs to be administered?

Please see front desk for medication administration.
