

What will the participants do at the party?

The first 60 minutes will be spent in the gym.

Attendees will participate in many activities which include some but are not limited to the following: They will warm up on the floor with some games, then they may play on our 50' obstacle course, jump on the trampolines, joust on the beams, swing on the bars, swing on the rope, and play in the foam-filled pit. The next 30 minutes will be spent in the decorated party room. Your participants may enjoy any pizza, snacks, cake, ice cream, or anything else you choose to bring. Next, your birthday child will open his/her presents.

What do the party parents need to bring?

We supply all the paper goods in the party room for the attending children. Parents may choose to bring pizza, cake, or goodie bags. If you would like the adults to have any snacks or refreshments, parents need to provide that. We'll take care of everything else— the fun and games, we'll serve the children in the party room and even keep a list of your child's gifts! This is your time to relax!

Precision Gymnastics offers a unique and memorable experience to celebrate your child's birthday! Our energetic staff is motivated to ensure a safe yet exciting gymnastics style party in our fully equipped, spacious facility!
